BALDWIN
WALLACE
UNIVERSITY

MISSION:

Baldwin Wallace University is an academic community committed to the liberal arts and sciences as the foundation for lifelong learning.

The University fulfills this mission through a rigorous academic program that is characterized by excellence in teaching and learning within a challenging, supportive environment that enhances students' intellectual and spiritual growth.

Baldwin Wallace assists students in their preparation to become contributing, compassionate citizens of an increasingly global society and encourages their pursuit of personal and professional excellence.

Baldwin Wallace University, founded in 1845, is an independent, liberal arts & sciences university located in Berea, Ohio, offering bachelor's and master's degrees, certificates and professional education programs.

Baldwin Wallace is located in a historic, residential community with miles of recreational parkland, is just 20 minutes from the thriving business and cultural center of Cleveland. It's the perfect environment to facilitate liberal arts learning and practical career preparation, providing easy access to internships and field experiences for almost every interest. In addition to the main campus, BW at Corporate College East in Warrensville Heights offers evening and Saturday classes for bachelor's and master's degrees in business, professional development and executive education.

Chairperson of the Nursing Department and Nursing Program Administrator

This will be a tenure-track, advanced-rank, twelve-month administrative position with a 12 credit hour teaching load that will start no later than August 1, 2021. Reporting to the Dean of the College of Education and Health Sciences, the Chair of the Department of Nursing performs the duties of both the Chair of the Department and as the Chief Nurse Administrator for the Commission on Collegiate Nursing Education (CCNE) and the Program Administrator for the Ohio Board of Nursing (OBN).

BW has operated a highly successful Accelerated BSN for seven years, and in Fall 2021 will matriculate its first class of traditional four-year BSN students. The program will enter newly renovated and remodeled facilities in advance of the program start.

The successful candidate will have a unique opportunity to shape the undergraduate programs through hiring four tenure-track faculty over the next three years in addition to evaluating the four-year program through its inaugural offerings. BW will support the growth of the program into graduate programs.

The successful candidate will lead a program that is well-respected in the vibrant northeast Ohio health care environment. S/he will be expected to build on strong existing relationships to expand and deepen our partnerships with nationally recognized health care systems.

QUALIFICATIONS:

The successful candidate will have:

- An earned terminal degree;
- Eligible for licensure as an RN in the state of Ohio;
- At least five years of experience in nursing leadership;
- Experience with national accrediting agencies and state oversight boards; and
- Experience in and knowledge of:
 - Program implementation and evaluation;
 - Faculty development and evaluation; and
 - Budget development and oversight.
